

INSTRUCTIONS FOR SELF-GUIDED ARCHITECTURE SCAVENGER HUNT

Map of 4 block radius where all six buildings/structures are located.

This scavenger hunt will lead you through approximately 4 blocks of our beautiful downtown area to seek out different buildings/structures and identify their architectural features. The attached questionnaire asks you to name the building or structure and write three characteristics from the following list that you observed in each. Using Google during this scavenger hunt is encouraged.

Prizes will be awarded to anyone who documents three characteristics for each structure. Award ceremony will take place at 4 pm on Tuesday, September 10 at the Sault Area Art Center. We are located at 217 Ferris St (just off Portage).

List of Architectural features. Some features may apply to more than one structure.

1. Classical
